

**REMARKS**

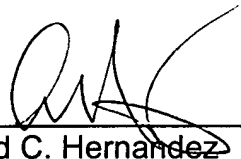

Any fees that may be due in connection with filing this paper, or during the entire pendency of this application, may be charged to Deposit Account No. 06-1050.

Claims 20 – 31 are currently pending in this application. In the Supplemental Amendment and Response submitted February 24, 2005, Applicant inadvertently provided in the listing of the claims a version of claim 23 which did not reflect the changes of the Amendment filed October 20, 2003. Specifically, the phrase "...on the elongate passage or..." in line 3 of claim 23 was present in the claim although it had been previously deleted by Amendment. Responsive to the Notice of Non-Compliant Amendment, mailed May 2, 2005, a complete and accurate listing of the pending claims, including the amended version of claim 23, is provided. No new matter is added.

Entry of this amendment and examination of this application are respectfully requested.

Respectfully submitted,

Date: May 26, 2005
